

Quality & Reliability

ProLabs always has quality in mind when it comes to our transceivers so that we can deliver on our customer promises:

Compatibility - 100-percent compatible with over 50 vendors and 20,000 systems.

Quality - At the forefront of technology development, coding, testing & customization.

Industry-leading Warranties - Extensive warranties will not invalidate any vendor warranty on the host device. Lifetime warranties on all ProLabs transceivers, DACs and AOCs.

Service - Fast, responsive, knowledgeable service and support that exceeds that of OEMs.

Fast, Global Delivery - Large inventory and extensive supplier network in EMEA and US means fast shipping to more than 40 countries.

Trusted - Used by some of the world's largest Telcos and ISPs.

Cost-effective - By switching from overpriced OEM products to ProLabs compatibles, companies can afford critical upgrades.
